## **Definiti Grows with the Acquisition of Brewster & Brewster**

### **OHIO FIRM IS THE COMPANY'S FOURTH RECENT ACQUISITION**

**HOUSTON** (February 1, 2021) – Definiti, a national retirement services firm, today announced the acquisition of Brewster & Brewster.

Brewster & Brewster manages the design and administration of 401(k) and defined benefit plans for organizations in Ohio and the surrounding region. For more than 20 years Brewster & Brewster has built a robust regional presence founded on responsive service, analytical precision and a cooperative approach to serving customers.

“Brewster & Brewster is a great addition to our firm,” said Definiti CEO Tom Gaillard. “The company has a wonderful reputation for superior service and we’re thrilled to welcome their staff and clients.”

“Definiti was a natural choice”, said Donna Brewster, co-founder of Brewster & Brewster. “We’d seen their successful work with custodians and customers, and felt their focus on service excellence would serve our clients well.” Jane Brewster, the firm’s other co-founder, agreed. “Donna and I were seeking the best outcome for our customers and employees. Definiti provides our team with resources, energy and expertise to deliver the best in retirement plan services.”

Brewster & Brewster is Definiti’s most recent addition, following the acquisitions earlier in 2020 of Merit Benefits Group, Capital Retirement Plan Services, and Boetger Retirement Plan Services. Definiti now serves more than 6,800 retirement plan clients across the United States. As a national leader in the retirement services industry, Definiti delivers clients robust local service supported by a growing body of retirement plan experts.

Brewster & Brewster will be rebranded to Definiti once the business integration is complete later this spring.
